

# DARE TO CARE LEARNING CENTER NURSING ASSISTANT CLASSES IN ALBANY!

## Four Week Day Class

We are bringing our well-established Eugene program up north to Albany. Do you want to start your career and get your schooling completed quickly? CNAs are in high demand, employers offer great career opportunities with competitive pay and benefits. Upon successful completion of the course, students are eligible to begin working immediately as well as become eligible for state testing certification. Many students are offered a job at the clinical facility! For a cost breakdown or more info, please visit our website or call us.
