To be a Christ-centered community providing life-enriching services

Sue Currey Named New In-Home-Care Administrator

Sue Currey has been with Mennonite Village since October of 1998, though this past 20+ years is actually her second go around working for the organization. She has worked in the Nursing Home, Home Care and Independent Living. She will continue working with the Independent Living team fostering relationships with our residents and working with them and family members as their needs for more support or care changes. Mary Scott will continue as the Administrator for Lydia's

House and Mary's Place. Congratulations Sue and thanks for all the years dedicated to Mennonite Village.
