To be a Christ-centered community providing life-enriching services

Open Enrollment

We are nearing the end of the 2018-19 plan year. You have now through the end of September to earn your points for your wellness rebate if you have been on the plan for the entire year. You also have until that time to use your HRA dollars for any expenses you incur between October 2018 and September 2019. We are looking good for the renewal with rate holds coming in on our dental and vision plans. Look for information in the next few weeks on how we plan to roll out open enrollment this year. Most likely we will not have mandatory meetings but hold a few information sessions for employees who have questions and want to make changes to their benefit plans. If you have any questions about the benefits we offer, what you have selected or need help with completing your HRA reimbursement form for the first time, please come see any Human Resources employee.

BACK TO SCHOOL PROGRAM

We are once again blessed with the support and generosity of our residents and will be able to provide a \$75 Fred Myers gift card for our staffs children who are enrolled in school grades K-12.

Gift cards will start being handed out at the company BBQ and then can be picked up in Human Resources until August 30th.
