**I appreciate all that the Wellness Staff** does for the resident, to have a wide variety of classes, to meet the needs of the interested residents. The staff are all very personable, friendly, and helpful. You are the best! BH

**Please accept this donation in memory of my mother, Bunny.** The care Mom received in MH was amazing. Members of the team treated my Mom as if she was their own, it was done with great care & professionalism. There are dozens of staff that are to be commended for their passion for the work & the love they give to those in the facility & their families. Because I visited Mom every day I witnessed many interactions of compassion shown to the residents that were remarkable & it was pleasant to be around. Thanks to the entire MV team for what you do for the community, it is a gift for all of us to have such an amazing resource in Albany. Debbie

**Mary, THANK YOU very much for your care of Mom** & for your leadership of MP & making MP such a wonderful home for Mom & her housemates. Thank you for the fine care that you & the team gave. I also want to say I am so sorry about the tragic death of Mary Taylor. It is such a big loss for LH, MP & the whole MV community. May you feel God's healing love.  
Susan

**Woman at a chamber function told John K;** "Oh you are from the MV! My Mom is there & we appreciate the care she is receiving. Mom seems to be smiling so much more now & the staff is fabulous! No matter the time of day, she is always well taken care of." Daughter of Louise at LH.

**When asked to rate the MH on a scale of 1-5,** a previous resident said we are 5, 6, 7, 8, 9, 10! She will recommend us to others & tell her friends.

**In Home Services, thank you for taking such good care of me** after my surgery. One of the reasons that I moved to MV was the availability of In Home Services to residents of Independent Living.
