Reminder!

The Importance of Wearing Your Name Badge

Please remember it is important to wear your name badge while at work. This is especially true when working in the Village and entering our Villagers homes. Your name badge is the way residents and their family members or guest know you are okay to be in their home. The residents have a right to feel safe in their space and we want to do everything we can to help promote this. One of the easiest steps you can take is wearing your name badge and showing it to the resident when you enter their home. It not only identifies who you are but what your job is. If you have lost your name badge, please see Elona at the front desk in the Mennonite Home or contact Human Resources.

FLU SHOTS

We are set to begin administering flu shots October 4th. There will be a flu in-service from 1pm to 3:30 pm in the Mennonite Home Multi-Purpose room and then shots will be provided. We will also be having two Bio-Screening Events on campus this year and we will have a time set during a portion of that event to get your flu shot too. The location of the Bio-Screening Event has not been determined but the dates are October 22nd 6am to 11:30 am and October 30th 6:30 am to 12:00 pm.
