JOTTINGS FROM HR.....

Open Enrollment:

Starting August 31st, 2020 we will have open enrollment information on PowerDMS. It will include a summary of any changes, a reminder of the wellness program and what you need to complete if you want to make changes to any of your benefit plans or enroll for the first time in any of our benefit plans as a qualifying Full-time employee. Only employees who are FT and eligible as of October 1st, 2020 should receive the PowerDMS enrollment information. If you have any questions once you have reviewed the information, please contact Kacie Marken, Benefits Coordinator at ext. 486.

Mandatory Testing:

This week began the state required mandatory monthly testing of all HCP. We must get a baseline of all employees completed by September and then starting in October 25% of our population needs to be tested each week to ensure a 100% completion by the end of the month. Thank you to everyone who is committed to working in Long-Term Care. You are all heroes.

*There is no such thing in anyone's life as an
unimportant day*
