### **Vaccination Info:**

The following link is a great source for finding locations that are offering the vaccine and you can even filter down to the type of vaccine you prefer! Click the following link [VaccineFinder - Find COVID-19 vaccine locations near you](#) or type **vaccinefinder.org**. If you have completed or started your vaccination by May 31<sup>st</sup>, MV will provide 12 hours of EL to your bank and if you start the vaccination

June 1<sup>st</sup> – December 31<sup>st</sup>, 2021 MV will provide 8 hours of EL to your leave bank. Just provide Kacie Marken in Human Resources proof of vaccination or approved documentation why you are unable to vaccinate for Medical or Religious reasons. The decision is yours to make but we know from feedback we have received from residents and their family members it means a lot to them.
